

LETTER TO VENDOR
DEFINITION OF REQUIREMENTS, BEARINGS
CONFORMANCE AND COUNTRY OF ORIGIN CERTIFICATION
DYNETIC SYSTEMS INC.

Dear Bearing Vendor,

In an effort to eliminate confusion and better define Dynetic Systems Inc. "Compliance Certification" contents, and "Country of Origin" statement contents, I am providing a guidance regarding what data we require in the subject document(s).

Compliance Certificate Contents:

1. Dynetic Systems Part Number (including Revision letter)
2. Dynetic Systems P.O. Number
3. Quantity of items in the shipment lot.
4. Name of the Manufacturer of the subject item.
5. Manufacturer's Part Number
6. ABEC class
7. Trade Name of Lubricant
8. Percent to Fill
9. Construction Material (Stainless Steel, Chrome Steel, etc.)
10. Date, Name and Signature of the person certifying the accuracy of information

Country of Origin contents:

1. Name of the Country in which the product was manufactured.
2. Date, Name and Signature of the person certifying the accuracy of information.

Note: Separate documents for Compliance and Country of Origin is Not Required. It is the suppliers option to either include both requirements on one document or to use separate documents.
